Director's Message

After spending past two years in Directorate of Industries, Punjab, I feel very privileged to be writing this message as Director Industries, Punjab.

This is the time we publish the 7th edition of the District Pre-Investment Studies of 36 Districts of Punjab, which has now become synonymous with our commitment to helping Industrialists, new entrepreneurs as well as Researchers. As Director Industries Punjab, I have seen much change, like:

- Relocation plan for the industrial units located within residential areas to industrial estates / positive areas declared by the District Governments.
- Adaptation of Boilers & Pressure Vessels Ordinance 2002.
- Conduct of Census of Manufacturing Industries.
- A scheme "Improvement and Up-gradation of Boilers Inspection Wing" has been approved by the Planning & Development Department, Government of the Punjab with the cost of Rs.10 Million.
- A Scheme "Sports Goods and Material Testing Laboratory" is under process in Planning & Development Department, Government of the Punjab. The estimated cost of the scheme is Rs.450 Million.
- The proposal for Capacity Building of Directorate of Industries Punjab is under process in Industries, Commerce & Investment Department, Government of the Punjab with the estimated cost of Rs.109.75 Million.
- We launch our website www.doi.pitb.gov.pk.

Looking ahead, we are focused on accelerating the execution of growth and promote industrial investment in the province. I am incredibly excited about this and truly believe the best of time for industrial investment is yet to come, Insha Allah.

(Muhammad Siddique Sheikh)
Director Industries, Punjab

Preface

Pre-investment studies for the districts in the Punjab were first published by the Directorate of Industries and Mineral Development, Punjab in the year 1979, with the prime objective of providing data which might interest private entrepreneurs and the framers of the Provincial and National Strategies in the industrial sector.

The second, third, fourth, fifth and sixth series of Pre-investment Studies for all districts of Punjab were published in 1983, 1992, 2002, 2006 and 2009 respectively. The present edition is seventh in the series.

This study basically updates the information contained in sixth series of district pre-investment studies. Efforts have been made to provide latest information collected through published sources, offices of the respective Government Departments/Agencies and District Offices of Industries Department. Quality addition of Industrial Policy Framework, recently promulgated Special Economic Zone Act 2012, Strategic Trade Policy Framework (2012-15) and Digital Maps by Urban Unit has improved these studies significantly.

The information has been updated in respect of population, manpower, production of agriculture crops, fruits, vegetables, livestock, forest resources, ores/minerals, infrastructural facilities such as technical/vocational training facilities, communication net-work, sub-soil water quality/effluent disposal

facilities, power/gas supply, tele-communication facilities, industrial estates, dry ports, industrial financing facilities, loaning scheme of PSIC, industrial policy, investment policy, fiscal incentives, Special Economic Zone Act 2012 and Strategic Trade Policy Framework (2012-15) etc. New policy measures regarding declaration of negative and specified positive areas have also been incorporated.

The study also includes information regarding existing industrial pattern, industry wise installed capacities and details regarding existing major industrial units in each district.

Effort has been made to identify various industries considering the availability of raw materials, skilled labour, linkage between industrial units and local/national/international demand. The suggested industries are, however, merely of indicative nature and it is advisable that prospective investors should conduct detailed feasibility report before making final decision for investment.

It is worthwhile to mention that industrial sector in Punjab has grown gradually from 6,223 industrial units in 1975 to 17,857 industrial undertakings in 2010. Sectoral growth has also been registered, resulting in substantial value addition. Value addition chain can be maximized by processing the agricultural industrial waste like rice husk, cotton stock, maize and corn cob. Herbal products is another untapped area. Live Stock, Dairy Development and poultry are fast growing sectors. Processing of food products can fetch handsome dividends. Currently information technology sector is growing by 39% annually in Pakistan. Fashion

industry is also developing rapidly. Similarly, chemical sector has lot to offer by utilizing the available mineral resources as raw material.

Issue of energy shortage can be addressed by dealing with power generation as an industry. Local as well as foreign investors have golden opportunity to set up power generation stations based on coal and other alternate fuels, under the captive power plants policy allowed in the newly promulgated SEZ Act, 2012. Punjab offers very good opportunity to the local as well as foreign investors to set up small, medium and heavy industries in variety of sectors. It has a growing market of over 90 million consumers, abundant manpower / labour force and cheap raw material with reasonably controlled law & order.

The Industries, Commerce & Investment Department has sufficient institutional frame work of attached and autonomous bodies to look after the industrial issues. Directorate of Industries, Small Industries Corporation (PSIC), Board of Investment (PBIT), Punjab Industrial Estates Development and Management Company (PIEDMC), Faisalabad Industrial Estates Development and Management Company (FIEDMC) have blend of professionals from the public as well as private sector. These legal entities are working in close coordination with the Chambers of Commerce and Industries systematically to promote industrialization and trade.

Development schemes regarding establishment of Industrial Resource Centre at the Directorate of Industries, setting up Sports & Material Testing Lab at EPZ, Sambrial and Industrial Safety Institute are under consideration with the Planning and Development

Department. Completion of these schemes will definitely help in promotion of industrialization process with enhanced industrial safety.

I must record my appreciation to Mr. Muhammad Akram Awan, Senior Economist, who effectively planned, coordinated and provided the guidance to his team members for completion of this study. Credit also goes to Mr. Muhammad Jamil Chishty, Staff Economist for his dedicated support rendered in the completion process of this study and Mr. Waseem Haider, Stenographer, for his tireless typing and composition work on computer.

I am grateful to all the District Officers, Enterprise & Investment Promotion who provided the relevant information of their respective districts for incorporating in pre-investment studies. I am also thankful to various Provincial Departments for supplying the required data to the Directorate of Industries. My special thanks are due to Dr. Nasir Javed, Project Director, Urban Unit for the provision of digital maps and the Punjab Printing Press.

Any suggestion for the improvement of the study will be welcomed.

-
- 14 Type of Industrial Units : Cement Products, Cold Storage, Cotton Ginning & Pressing, Dairy Products, Doubling of Yarn, Flour Mills, Rice Mills, Sizing of Yarn, Solvent Oil Extraction, Sugar, Textile Composite, Textile Spinning, Textile Weaving, Unani Medicines, Vegetable Ghee / Cooking Oil and Woollen Textile Spinning /Weaving

CHAPTER - I

GEOGRAPHICAL CONDITIONS

1.1 BRIEF DESCRIPTION OF THE DISTRICT

District Jhang is adjoined by Toba Tek Singh and Faisalabad districts to the East, district Hafizabad to the North-East, district Khanewal on the South, district Sargodha on the North, districts Khushab, Bhakkar and Layyah on the West.

District Jhang is spread over an area of 6,166 square kilometres and comprises three tehsils of :

- i) Jhang
- ii) Shorkot
- iii) Ahamdpur Sial

1.2 CLIMATE AND GENERAL SOIL CONDITIONS

The climate of the district is hot and dry during summer and cold and dry in winter. The surface of the district presents three distinct levels i.e. sand dunes of Thal on the extreme west, low lying river valley in the centre and old Sandal Bar on the extreme east. The rivers of Jhelum and Chanab make their way through the district and Trimmu Head-works is the pint of their confluence.

CHAPTER - II

MAN POWER

2.1 TOTAL POPULATION OF THE DISTRICT

According to Punjab Development Statistics 2011, total population of Jhang district is 2,324 thousand persons, out of which 1,208 thousand are males and 1,116 thousand are females. Density of population in the district is 377 persons per square kilometre.

Tehsil wise distribution of Urban and Rural population is given in Table-1

TABLE-1

Town-Wise Distribution of Urban & Rural Population

Town	Population (Thousand Nos.)		
	Urban	Rural	Total
Jhang	483	1009	1492
Shortkot	84	380	464
Ahmadpur Sial	73	295	368
Total	640	1684	2324

Source: Punjab Development Statistics, 2011

2.2 MAN POWER AVAILABILITY

As regards availability of skilled labour, there are 9 technical / commercial / vocational institutions (6 for men and 3 for women) imparting training in various trades e.g. mechanical, electrical, auto-engineering, welding, wood working and commerce. Vocational institutions for women impart training in hand/machine embroidery, stitching and knitting. In all about 2026 technicians / artisans / workers are trained every year. The details are given in Table-2.

TABLE - 2

Commercial and Technical Institutions

Sr #	Name & Description of Commercial / Technical Training Institutions	Types of Training Courses Offered	Duration of Course	Average No of Students Enrolled / Session
For Men				
1	Govt. Collage of Commerce Jhang.	D.Com B.Com	24 Months	890
2	Govt. Institute of Commerce, Canat Road, Shorkot.	D.Com, Certificate in Computer Applications	3 to 24 Months	290

3	Govt. Technical Training Institute, Satellite Town, Jhang.	Auto Electrician, Auto Mechanic, Draftsman Civil, Draftsman Mechanical Electrician, Radio & Television	12 to 36 Months	199
4	Govt. Woollen Weaving Cum Training Centre, Jhang.	Wool Textile	24 Months	59
5	Govt. Technical Training Centre (DMTC), Garh More, Jhang.	Turner, Wireman, Auto. Farm, Welding & Carpenter	6 Months	77
6	Govt. Technical Training Centre, Ahmed Pur Sial, Jhang.	Electrician, Auto Cad, Motor Cycle Mechanic.	6 Months	90
For Women				
7	Govt. Vocational Training Institute, Shahid Shaheed Road, Shorkot.	Vocational Certificate/ Diploma, Beautician, Domestic Tailoring, Computer Certificate.	3 to 24 Months	92

8	Govt. Vocational Training Institute, Satellite Town, Jhang.	Beautician Certificate, Domestic Tailoring Diploma in Vocational, Certificate in Computer Application.	6 to 24 Months	224
9	Govt. Technical Training Centre, Ahmed Pur Sial, Jhang.	Machine Embroidery, Hand Embroidery, Domestic Tailoring.	3 to 6 Months	105

2.3 TRADITIONAL CRAFTS

There is no traditional crafts in the district.

2.4 GEOGRAPHICAL INDICATIONS

The Project Director (Geographical Indications), Industries, Commerce & Investment Department, Government of the Punjab has identified the following Important Geographical Indications in the district:

- Blanket
- Rug (Dari)

CHAPTER - III

NATURAL RESOURCES

3.1 AGRICULTURE

a) Main Crops

Sugarcane, Wheat, Cotton, Rice (cleaned), Maize, Gram, Moong and Masoor are the main crops grown in the district. Production of these crops during the period 2008-09 to 2010-11 is given in Table - 3.

TABLE-3

**Production of Main Crops
(2008-09 to 2010-11)**

Crop	Production (Th. M.Tons)		
	2008-09	2009-10	2010-11
Sugarcane	4149.75	2015.5	2723.05
Wheat	1122.86	772.33	797.34
Cotton (000 Bales)	206.46	150.71	161.32
Rice (cleaned)	181.95	110.50	102.75
Maize	282.1	61.8	55.6
Gram	54.7	37.6	34.9
Moong	2552	1113	799
Masoor	292	118	182

Source: Directorate of Agriculture, Crop Reporting Service, Punjab

Besides, Jawar, Ground nut, Mash, Oil Seed such as Rape/Mustard and Sunflower are also grown in minor quantities in the district.

b) Main Fruits

Citrus, Mango, Guava and Dates are the main fruits grown in the district. Production of these fruits during the period 2008-09 to 2010-11 is given in Table - 4

TABLE-4

**Production of Main Fruits
(2008-09 to 2010-11)**

Fruit	Production (M.Tons)		
	2008-09	2009-10	2010-11
Citrus	29826	15434	14744
Mango	20063	17151	17662
Guava	13542	23406	22040
Dates	5924	4910	4888

Source: Directorate of Agriculture, Crop Reporting Service, Punjab

Besides, Pomegranate and Banana are also grown in minor quantity in the district.

c) Main Vegetables

Potato, Turnip, Onion, Cauliflower, Carrot, Ladyfinger and Matter Green are the main vegetables grown in the district. Production of

these vegetables during the period 2008-09 to 2010-11 is given in Table - 5

TABLE-5

**Production of Main Vegetables
(2008-09 to 2010-11)**

Vegetable	Production (M.Tons)		
	2008-09	2009-10	2010-11
Potato	81937	8062	21733
Turnip	23356	9473	9585
Onion	11063	3019	5517
Cauliflower	4769	2597	2655
Carrot	4335	1881	1823
Ladyfinger	2981	3043	953
Matter Green	2217	1214	1356

Source: Directorate of Agriculture, Crop Reporting Service, Punjab

Besides, Brinjal, Tomato, Garlic, Bottle Gourd and Chillies are also grown in the district in minor quantities.

3.2 FORESTS

a) Location of Forests and Area under Afforestation

An area of 15,477 Acres is under forest, which is about 1.02% of the total area of the district. There is also linear plantation of 1,196 Kilometres

alongside the roads/rails/canals in the district. Trees grown in the area are Kau, Phalai, Kikar and Shisham.

b) Production of Timber and Firewood

The production of Timber and Fire-Wood in the district during the period 2008-09 to 2010-11 is given in Table 6.

TABLE-6

**Production of Timber & Firewood
(2008-09 to 2010-11)**

Year	Production (Cubic Meter)	
	Timber	Firewood
2008-09	943	1317
2009-10	336	814
2010-11	1281	1307

Source: Forestry, Wildlife and Fisheries Department

3.3 LIVESTOCK POPULATION

a) Animal Population

The animal population of the district is given in Table - 7.

TABLE - 7**ANIMAL POPULATION**

Animals	Population (Th Heads)
Buffaloes	1365
Goats	1156
Cattle	1056
Sheep	409

Source: Livestock & Dairy Development Department.

b) Poultry Population

As per Punjab Development Statistics 2011 there are 482 broiler and 21 layer poultry farms in the district having rearing capacity of 8488 and 197 thousand birds respectively.

c) Availability of Hides / Skins and Slaughter House Wastes

As per Punjab Development Statistics 2011, 112400 animals were slaughtered in recognized / un-recognized slaughter houses in the district during the year 2009-10, which is a fair estimate of the availability of hides and skins in the district.

The availability of slaughter house by - products is estimated as under:-

Blood	40.69 M.Tons
Bones	193.78 M.Tons
Tallow	37.77 M.Tons

d) Production of Wool

The sheep population of 409 thousand heads in the district is expected to yield about 409 M.Tons of coarse wool annually.

3.4 ORES AND MINERALS

There is no major mineral in the district.

CHAPTER - IV

INFRASTRUCTURAL FACILITIES

4.1 COMMUNICATION NETWORK

a) Road Links

The district has a total metalled road-length of 4,132.83 Kilometres. District Jhang is linked with Faisalabad, Toba Tek Singh, Sargodha, Hafizabad, Khushab, Bhakkar, Layyah and Khanewal districts through metalled roads.

b) Rail Links

Jhang is linked with Sargodha, Shorkot and Khanewal through railway network.

4.2 GENERAL QUALITY AND AVAILABILITY OF SUB-SOIL WATER

Under ground water resources are adequate in the district except Wariana tehsil Shorkot and adjoining areas. The sub soil water is generally suitable for industrial purposes.

4.3 EFFLUENT DISPOSAL FACILITIES

Nullahs in the district are suitable for effluent disposal. However, permission from Irrigation and

Power Department, Government of the Punjab is necessary for discharge of effluent in the nullahs/drains.

4.4 POWER SUPPLY

There are 16 grid stations in the district (ranging in capacity from 66 KV to 132 KV).

4.5 NATURAL GAS AVAILABILITY

Natural gas is available in Jhang Saddar, Shorkot City and Shorkot Cantt.

4.6 TELE-COMMUNICATION FACILITIES

There are 58 telephone exchanges operating in the district (ranging in capacity from 206 lines to 9,674 lines). Cellular phone services are also available in the district.

4.7 SOCIAL INFRA-STRUCTURAL FACILITIES

Social infra-structural facilities available in the district are given in Table - 8.

TABLE - 8

SOCIAL INFRA-STRUCTURAL FACILITIES

Tehsil	Primary / Middle / high / higher secondary School	College	Hospital	Police station	Railway stations	Post office	Banks
Jhang	1294	4	7	19	6	13	29
Shorkot	406	2	2	4	3	10	18
Ahmed pur Sial	307	-	1	2	-	6	8
Total	2007	6	10	25	9	29	55

Source: Punjab Development Statistics 2011 / Respective District Offices.

4.8 INDUSTRIAL ESTATE

At present there is no industrial estate in the district.

4.9 DRY PORT

There is no dry port in the district.

4.10 INDUSTRIAL POLICY

- Foreign investors are permitted to hold 100% of the equity of industrial projects without any permission of the Government.
- No prior Government sanction is required for establishment of an industry outside Ex-Municipal Territorial Limits of Town

Committees / Municipal Corporation irrespective of its cost and size except the following covered under schedule 'C':-

- a. Arms & Ammunition.
 - b. Security Printing Currency & Mint.
 - c. High Explosives.
 - d. Radio Active Substances.
 - e. Alcoholic Beverages or Liquors.
1. No industrial unit mentioned in Schedule-A of the notification No. AEA-III-4-3-9/91, dated 30.09.2002 or industrial unit exceeding a total cost of Rs. 100.00 million shall be set up within 10 miles (16 Kms) of international border:

List of Manufacturing Industries

- a) Basic Metal Industry.
- b) Petro-Chemical Industries (Excluding Products Industries).
- c) Large size Machine Tool Factories (Limit of Investment to be determined).
- d) Heavy Foundry Works.
- e) Heavy Electric Complexes.
- f) Heavy Mechanical Complexes.
- g) Electronics Industries.
- h) Major Vehicle Assembly Plants.
- i) Ordinance Factories.
- j) Explosives, Nitric acid and Sulphuric acid plants.
- k) Vehicular Tires and Tubes Industries.

- l) Locomotives and Railway Carriage manufacturing plants.
 - m) Government Mint.
 - n) Security Printing Press involved in whole time printing of sensitive documents / currency notes.
 - o) Manufacture of optical glass and optics.
 - p) Nickle cadmium battery industries.
 - q) Nuclear / Separation Plants.
 - r) Large Power Generating Stations.
 - s) Large oil Storage units.
 - t) Oil refineries.
2. No industrial unit shall be set up in areas affected by flood flowing transversely in the strip of one mile of either side across the Grand Trunk Road from Shahdara Town to Muridke Town, without prior permission of the Provincial Government.
3. According to the notification No. AEA-III-3-5/2003 (Vol-III), dated 06.12.2006, “no new sugar mill shall be setup and no enlargement in capacity of the existing sugar mills is allowed in the Province”.
4. Each district Government may declare “negative area” for industry. Such “negative area” be determined by a District Committee after consultation with all stake-holders in light of general policy guidelines issued by the Industries, Commerce & Investment

Department and exemptions allowed under Schedule 'B' of this Notification as under:

List of Service Industries

- a) Furniture (excluding Band Saw) and also excluding storing Timber / Wood.
- b) Tailoring/ Readymade garments.
- c) Laundry / Dry Cleaning.
- d) Bakery (excluding confectionery).
- e) Syrups (excluding squashes)
- f) Cosmetics.
- g) Service workshop.
- h) Cereal Products like vermicilles.
- i) Candles making.
- j) Printing and Packaging.
- k) Hand loom carpet weaving.
- l) Hotels.
- m) Bidi manufacturing.
- n) Handmade shoes / shoe repairing workshop.
- o) Spooling and thread balls.
- p) Small Hosiery units employing not more than 10 workers.
- q) Atta Chakkies.
- r) Installation of Chaff cutters.
- s) Cotton Grading.
- t) Other small industrial undertakings which do not fall under the Sixth schedule of the Punjab Local Government Ordinance, 2001.

“Other small industrial undertakings” would mean an industrial undertaking in which the total fixed assets (including the cost of land)

do not exceed Rs.1.0 million (Rupees one million).

5. No industrial unit mentioned in Schedule 'C' of this Notification shall be set up anywhere in the Punjab without prior approval of the Government.
6. The Government reserves the right to refuse establishment / enhancement of any industrial undertaking which is in contravention of the public interest, ecology or any other law / rules for the time being in force.
7. The Government may relax any of the provisions of this notification in case of a particular unit or industry or class of units or industries.
8. NOC from Environment Protection Department, Govt. of the Punjab is required for setting up new Industries.
 - Tourism has been given the status of industry in accordance with Ministry of Industries & Production Circular No. 1-129/99-INV-IV dated 2nd August 1999.
 - The Housing and Construction Sector has also been declared as industry (Finance Division Notification No. 10(10)/IF-11/98, dated 07.04.1999 and 04.06.1999.

- In accordance with Government notification No. 3(2)/97-INV-IV dated 05.05.1997, Computer Software and Information Technology (IT) have been declared as Industry.

4.11 DECLARATION OF NEGATIVE AREAS

In pursuance of the Clause 4 of the Location Policy notified on 30-09-2002, by the Industries Commerce & Investment Department, Government of the Punjab, the District Govt. Jhang has declared the following negative areas:-

- a) Areas that fall within the residential zone of the District Jhang may be declared as Negative Areas.
- b) Limits of the defunct Zila Council and Municipal Committees and Town Committees except Industrial estate already approved by the Punjab Industrial Estate Company, Lahore at Chak No. 268 JB on Jhang Gojra Road.
- c) Within 220 feet from center along either side of the major Roads.
- d) Flood affected areas transversally within 5 km on either side of the river.
- e) All areas specifically prohibited vide Notification/Laws of the LG&CD. Environment Protection and Highway Departments.

- f) No tannery / Industrial unit causing environment pollution and public nuisance will be established in the whole District without prior approval. The above mentioned “Negative Areas” will be reviewed periodically after 5 year by the Competent Authority.
- g) The prior permission/clearance from the District Government Jhang with the consent from Jhang Chamber of Commerce & Industry shall be mandatory for the establishment of new industrial units in Jhang.

4.12 DECLARATION OF SPECIFIED POSITIVE AREAS

Vide the Finance Act, 2008, the Government of Pakistan has enacted a new section “23A” in the Income Tax Ordinance 2001. The Section “23A” is reproduced below:-

“First year allowance.- (1) Plant, Machinery and equipment installed by any industrial undertaking setup in specified rural and under developed areas, and owned and managed by a company shall be allowed first year allowance in lieu of initial allowance under Section 23 at the rate specified in Part II of the third schedule against the cost of the “eligible depreciable assets” put to use after July 1st, 2008.

(2) The provision of Section 23 except sub-sections (1) and (2), thereof, shall mutatis mutandis apply.

The Federal Government may notify “Specified areas” for the purpose of sub-section(1)”

In pursuance of the above mentioned notification District Government Jhang has identified and approved the following specified positive areas for setting up industrial undertakings:-

- a) Bhakkar Road from both sides defunct Municipal limits to Trimmu Head works.
- b) Chak No. 267/JB Gojra Road Jhang (Reserved for Industrial Estate).

4.13 INCENTIVES FOR INVESTORS TO SETUP A UNIT IN EPZs

- a) According to EPZs Authorities, following incentives are available in the Export Processing Zones
 1. 100% ownership rights.
 2. 100% repatriation of capital & profits.
 3. No minimum or maximum limit for investment.

4. Duty free imports of machinery, equipment & material.
5. No sales tax on input goods including electricity & gas bills.
6. Obsolete/old machinery can be sold in domestic market of Pakistan after payment of applicable duties & taxes.
7. Freedom from National import restrictions.
8. Foreign Exchange control regulation of Pakistan not applicable.
9. Defective goods/waste can be sold in domestic market after payment of applicable duties, maximum upto 3% of total value of export.
10. Duty free vehicle allowed under certain conditions. After 5 years of use, vehicles can be disposed off in domestic market on payment of duty on depreciated value.
11. Domestic market of Pakistan available on same conditions as for imports from other countries.
12. Units operating in EPZs can undertake sub-contracting for units of tariff area subject to payment of duty and taxes on value addition only.
13. Only EPZA is authorized to collect Presumptive tax at the time of export of goods which would be final tax liability.
14. EPZ units allowed to supply goods to Custom manufacturing bonds.

15. Production oriented labour laws to be solely regulated by the Authority.
 16. EPZ manufacturer will be treated at par with bonded manufacturers in tariff area for any future incentives to be announced for exporters.
 17. Relief from double taxation subject to bilateral agreement.
- b) Facilities to Investors for setting up a unit in EPZs of Pakistan.
1. One window service and simplified procedure.
 2. All infrastructural facilities like water, electricity, gas, telex, fax and telecommunication system are made available by EPZA.
 3. Skilled & un-skilled labour available in abundance.
 4. Sub-contracting without limit on variety and quantity is allowed outside the zone as well as within the zone.
 5. The garment manufacturing units located in Export Processing Zones are eligible to participate in auction of quotas.
 6. GSP concessions given by various countries to imports from Pakistan are available to the manufacturers in the zone.
 7. Peaceful, secure and environmentally protected / pollution free work area.

8. Inter-unit transfer of finished goods among exporting units allowed.

4.14 PAKISTAN'S INVESTMENT POLICY - KEY FEATURES

General

- The investment policy is liberal and business friendly as it has been designed in consultation with businessmen, investors and representative forums as well as the Multinational Companies (MNCs).
- It provides equal investment opportunities for both domestic and foreign investors.
- All economic sectors open for FDI (Foreign Direct Investment).
- 100% foreign equity allowed.
- No government sanction required.
- Foreign investment on repatriable basis is allowed in all economic sectors including manufacturing, agriculture, services, infrastructure and social sectors.
- Foreign investment in agriculture projects allowed on joint-venture basis by associating minimum local equity of 40%.
- Remittance of Royalty, Technical & Franchise Fee, Capital, Profits, Dividends allowed.
- Minimum foreign equity for non-manufacturing including service sectors has been reduced from \$ 0.3 to \$ 0.15 million. In Agriculture, infrastructure and social sectors, it is \$ 0.3 million.

Tariff and Tax Incentives

- To keep Pakistan competitive in international tariff 5% customs duty has been allowed on import of plant and machinery which is not manufactured locally.
- Sales tax 0% across the board.
- 0% duty on import of raw material for export industry.
- 0% duty on import of agriculture machinery.
- Tax relief in shape of Initial Depreciation Allowance (IDA) has been provided as 50% of machinery cost across the board.
- Tax relief has also been provided for expansion and Balancing, Modernization & Replacement (BMR) in existing industries.

Policy Package of Pakistan

Policy Parameters	Mfg. Sector	Non-Manufacturing Sectors		
		Agriculture	Infrastructure & Social	Services including IT & Telecom Services
Govt. Permission	Not required except for specified industries*	Not required except specific licences from concerned agencies.		
Remittance of capital, profits, dividends, etc.	Allowed	Allowed		
Upper Limit of foreign equity allowed	100%	100%	100%	100%

Minimum Investment Amount (M \$)	No	0.3	0.3	0.15
Customs duty on import of PME**	5%	0%	5%	0-5%
Tax relief (IDA***, % of PME cost)	50%	50%		
Royalty & Technical Fee	No restriction for payment of royalty & technical fee.	Initial lump-sum up to \$100,000 Max Rate 5% of net sales - Initial period 5 years		

* Specified Industries:

- i) Arms and ammunitions
- ii) High Explosives
- iii) Radioactive substances
- iv) Security Printing
- v) Currency and mint

** PME = Plant, Machinery and Equipment

*** IDA = Initial Depreciation Allowance

4.15 INDUSTRIAL FINANCING FACILITIES

Following Financial Institutions in the country are providing various types of fixed investment industrial financing in the foreign and local currency to the industrial sector for establishment of new industrial units as well as for Expansion, Balancing, Modernization and Replacement (BMR)

of existing industrial units within the frame-work of industrial/financial policies of the Government of Pakistan.

Source: State Bank of Pakistan

Besides the financial institutions mentioned above a number of Leasing Companies, Modaraba Companies, Investment Banks are also providing financing facilities to the industrial sector. Punjab Small Industries Corporation also extends financial assistance to the small/cottage industrial units.

4.16 SALIENT FEATURES OF LOANING SCHEME OF PSIC

Punjab Small Industries Corporation (PSIC) is a body corporate enacted in 1973. One of core functions of PSIC is financial assistance programme for prospective entrepreneurs, skilled youth, artisans and craftsmen all over the Punjab. The priority sectors are as under:

- Service Industries.
- Agro / Agro Support Industries.
- Food Processing Industries.
- Export Oriented Industries.
- Import Substitution Industries.
- Information Technology (IT) Project.
- Handicraft Industry.
- Women Enterprises.

PSIC started credit assistance programme during 1984 and completed 13 schemes up till now. An amount of Rs. 4079 Million has been disbursed to 19,580 entrepreneurs in 36 Districts of Punjab with the recovery rate of 88% that indicates proper utilization of loans.

The maximum loan limit is Rs.3 Million with debit equity ratio of 60:40. The credit assistance facility available for new projects, BMR and Working Capital. The markup rate varies from 0% to 12%. The repayment period of loan is from 3 years to 6 years with grace period of 3 months to 6 months.

Recently, Government of Punjab has provided an amount of Rs. 2000 Million for disbursement through Service Provider Organization i.e. M/s Akhuwat to un-employed and skilled persons of PVTC, TEVTA, SANATZAR's of Social Welfare Department or other unemployed youth having good business plan.

Up till now, M/s Akhuwat has disbursed an amount of Rs. 1650.00 Million to 94,960 poor household in 33 vocations with average loan size of Rs. 17,382 in Punjab through its 142 offices in 30 districts of the Punjab.

To promote the traditional handicrafts in Punjab, PSIC has also launched dedicated credit assistance schemes for the craftsmen at subsidized markup

rates. These craftsmen have also been provided marketing facilities through Pakistan Handicrafts Shops.

4.17 SALIENT FEATURES OF THE SEZ BILL 2012

The Law of SEZ has been made to meet the global challenges of competitiveness to attract FDI. The Law/bill will allow to create industrial clusters with liberal incentives, infrastructure, investor facilitation services to enhance productivity and reduce cost of doing business for economic development and poverty reduction. The Law further envisages to reduce processes through SEZ in Pakistan. The establishment of SEZs will attract both domestic as well as international investors. The SEZ would play a pivotal role in the economic development of Pakistan as has been witnessed in case of China, Malaysia, Thailand and other states.

It extends to the whole of Pakistan and overrides other laws (anything contrary);

- All SEZ whether Public, Public-Private or Private-Private to be governed under this Act;
- The Board of Approval (BOA) headed by the Prime Minister of Pakistan with the Minister for Finance as the Vice Chairman shall meet as frequently as required but not less than twice a year and decisions shall be taken by a

- majority of the total membership present and voting;
- SEZs will have exemption from customs duties & taxes for all Capital Goods imported into Pakistan for the development , operations and maintenance of a SEZ;
 - Exemption from all taxes on income accruable in relation to the development and operations of the SEZ for a period of ten years, starting from the date of signing of the Development Agreement.
 - Zone Enterprises have exemption from custom duties etc. on imports of Capital Goods;
 - Exemption from taxes on income for a period of 10 years starting from the date the Development certifies that the Zone Enterprise has commenced commercial operations in the relevant SEZ;

There is no limit to the economic potential of Pakistan. The challenge is to create the enabling environment in which this can be realized. Special Economic zones bill is a step towards the economic stability in the country.

4.18 STRATEGIC TRADE POLICY FRAME WORK (2012-2015)

The government unveiled on 29 January, 2013 a medium term (2012-2015) Strategic Trade Policy Framework, setting a cumulative export target of \$95 billion for three years. The framework, the

second announced by the federal government will be implemented with a funding of Rs. 26.14 billion. In the first year, Rs.5 billion will be spent on providing subsidies and support to identified sectors.

The focus of the policy is on promoting regional trade and regulatory efficiency, promoting agro-processed exports, increasing exports from less developed regions, revamping export promotion agencies, increasing green exports, enhancing role of women in exports and pursuing product and market development and diversification.

The salient features of the policy include institutional interventions, export development initiatives and regulatory amendments. The policy, offers cash assistance to 14 sectors along with 19 regulatory frameworks, including ban on products as a protective measure against environmental and health hazards. The new framework is designed to provide assistance only to the non-textile sectors.

Institutional Measures: The government will setup institutions like an Export-Import (Exim) Bank, Pakistan Land Port Authority; Leather Export Promotion Council and a Services Trade Development Council.

Export Development: Major initiatives in the Policy included allowing mark-up rate support of

two per cent on prevailing LTFF for future import and purchase of machinery. An allocation of Rs.500 million has been proposed for schemes to be implemented this year. The total amount to be spent in three years is projected at Rs.3 billion. A mark-up support of 1.5% will be provided on export finance scheme (EFS) to selected sectors at a cost of Rs. 1.25 billion, including Rs. 200 million in 2012-2013.

The sectors for EFS support are fish and fish preparations, fruit and vegetables, spices, meat and meat preparations, carpets and rugs, sports goods, footwear, leather products, surgical goods, cutlery, onyx products, pharmaceuticals, electric fans, transport equipment, electrical machinery, specialized machinery, furniture, handicrafts and computer-related services.

An amount of Rs.14 billion will be given as adhoc relief at three per cent of FoB to offset the impact of higher cost of utilities for exporters in selected sectors. The measure will cost Rs.3bn this year. An amount of Rs.2 billion-Rs125 million will be allocated for marketing development assistance for regional countries.

A Rs. 25 million allocation has been proposed for export promotion campaigns for agro-processed products; Rs. 400 million for encouraging opening of retail outlets; and Rs.400m for subsidizing 50% cost of plant and machinery for establishing

processing plants for meat, fruits, vegetables, dates and olives in Azad Jammu and Kashmir, Baluchistan, Gilgit - Baltistan and Khyber Pakhtunkhwa.

An amount of Rs.30 million will be allocated for upgrading rice inspection laboratories, Rs. 20 million for subsidy at 100% of the prevailing mark-up rate for establishing mining and processing units in Khyber Pakhtunkhwa and Baluchistan.

Another Rs.20 million has been allocated for strengthening women's chamber of commerce and industry, Rs.32 million for setting up a resource management cell at the ministry of commerce, Rs.28 million for establishing leather export promotion council and Rs.70 million for services export development council.

Regulatory Measures

Unrestricted import of used motorized wheelchairs and five-year-old used or second-hand ambulances has been allowed. Two per cent of export proceeds will be allowed to manufacturers-cum-exporters for duty-free import of accessories for value-addition for leather garments and made-ups. Import of non-hazardous plastic scrap has been allowed for industrial consumers for use as raw material. A ban has been imposed on import of plastic waste, hospital waste, used sewerage pipes and chemical containers.

Import of non-sterilized surgical needles and syringes will be restricted to industrial units, condition of Euro-II may be made applicable on import of all types of specialized vehicles, such as crane-mounted lorries, dump trucks and mixtures lorries. The import of used sprinkle lorries will be restricted to a maximum of five year old. All goods from banned list imported in commercial quality shall be allowed to re-export at importer/shipping lines cost. The imported substandard goods from the restricted list should be destroyed within a period of six months without offering any release.

Import of waste and scrape of tyres in completely shredded/ cut form will only be allowed to industrial consumers; domestic standards will equally apply to imported goods as well.

Construction engineering and electrical companies will be allowed to retain abroad the exported machinery to carry out work on export-cum-import basis with the condition that they will import the same on the conclusion of the contract against indemnity bond.

All exporters of edible products are to be registered and export of vegetable ghee and cooking oil will be allowed in packaging of up to 25kg to encourage value-addition.

Steps to contain Environmental & Health Hazards

- Ban on import of plastic waste/scrap-hospital waste, used sewerage pipes and chemical containers.
- Restricting import of non-sterilized surgical needles and syringes to industrial units.
- Only the more fuel efficient Euro-II category crane-mounted lorries, dump trucks, mixture lorries, etc, will be imported.
- Imported used tyres will only be allowed for industrial use.

Institutions to be Setup

- Export-Import Bank.
- Pakistan Land Port Authority.
- Leather Export Promotion Council.
- Service Trade Development Council.

CHAPTER - V

EXISTING PATTERN OF INDUSTRIAL DEVELOPMENT

5.1 DESCRIPTION OF EXISTING INDUSTRIES

There are about 154 large, medium and some small industrial units in the district. Industry-wise installed capacity of major industrial units is given in Table-9.

TABLE-9

Industry-wise Installed Capacity

Sr. #	Industry	No. of units	Annual Installed Capacity
1	Cement Products	2	180 Th. Nos.
2	Cold Storage	4	55000 Bags
3	Cotton Ginning & Pressing	20	88 Sawgins, 22 Press
4	Dairy Products	2	12,60,000 Kgs.
5	Doubling of Yarn	5	480 Meters
6	Flour Mills	19	2720 M.Tons /Day
7	Rice Mills	59	59 Shellers, 3 Hullers
8	Sizing of Yarn	10	7100 M.Tons
9	Solvent Oil Extraction	1	120 M.Tons/ Day
10	Sugar	5	39000 TCD
11	Textile Composite (Surgical Cotton)	1	360000 Nos., 54 Looms
12	Textile Spinning	11	154292 Spindles, 1800 Rotors
13	Textile Weaving (Mill Sector)	1	48 Looms

14	Vegetable Ghee / Cooking Oil	4	54000 M.Tons
15	Woollen Textile Spinning /Weaving	9	2652 Spindles, 17 Looms, 15000 Meters
16	Unani Medicine	1	200 Lac Rs.

CHAPTER - VI

FUTURE INDUSTRIAL POTENTIAL

Keeping in view the availability of raw-material, skilled labour, industrial units, local / national / international demand, future industrial potential of district Jhang is discussed hereunder:-

It would, however, be kept in mind that though the above mentioned factors facilitate the success of any industrial unit, yet the entire success depends upon the investors / entrepreneurs and the capabilities of the personnel having the managerial control. Therefore, it is advisable that detailed feasibility of industrial project must be carried out before making final decision for investment.

6.1 AGRICULTURE

Main crops of district Jhang are wheat, sugarcane, rice, maize, Gram, Moong, Masoor and cotton. The average annual production of wheat, sugarcane, rice, maize, Gram, Moong and Masoor over the period 2008-09 to 2010-11 was 897.51, 2926.77, 131.73, 133.17, 42.40, 1488, and 197.33 thousand M. Tons respectively and of cotton was 172.83 thousand bales.

Main fruit are Citrus, Mango, Dates and Guava. Their average annual production over the period

2008-09 to 2010-11 was 20.001, 18.292, 5.241 and 19.663 thousand M.Tons. A variety of vegetables are also grown in the district.

At present there are 11 cotton textile spinning mills, 5 sugar mills, 2 dairy product units, 19 flour mills and a number of cotton ginning/pressing factories, rice husking units and cold storages in the district.

In view of availability of various raw-materials and existing and under implementation agro-based industries, there seems to be little scope for additional flour mills and sugar mills. However, there exists good scope for solvent oil extraction, vegetable ghee, fruit juice/pickles/squashes, vegetable dehydration, corn oil/starch/glucose, furfural from corn cobs, etc.

6.2 LIVESTOCK

As per Punjab Development Statistics 2011, the population of cattle, buffaloes, sheep and goats was 1056, 1365, 409 and 1156 thousand heads respectively.

As regards poultry, there are 482 broiler and 21 layer farms having rearing capacity of 8488 and 197 thousand birds respectively.

The availability of hides and skins is estimated at 112400 thousand pieces per annum.

In view of the above there exist good prospects for cattle/goats/sheep fattening farms, dairy farms, poultry breeding/hatchery farms, tannery, poultry/animal feed and leather products.

6.3 FOREST

District Jhang is quite rich in forest resources. The annual average production of timber and firewood for 2008-9 to 2010-11 was 2560 and 3438 cubic meter respectively, which reflects very good prospects for wood seasoning / processing, furniture / flush doors / windows, particle / veneer board (Chapter 3, Section 3.2).

6.4 INDUSTRY

There are 11 cotton textile spinning mills and 5 sugar mills already operating in the district Jhang. Among textile mills, one textile weaving facilities and one textile composite unit are also in operation.

In view of above, there is ample scope for textile processing/printing, hosiery, children-wear and sports-wear.

On the basis of molasses and bagasse available from the sugar mills, there are better prospects for liquid sugar, citric acid, bakers yeast, paper and paper board and chip/particle board.

6.5 DEMAND BASED INDUSTRIES

In view of localized requirements and existing industrial pattern in district Jhang, there is also scope for biscuits/confectionery, bakery products like bread, bun, etc, RCC pipes/slabs/girders, earthen sanitary ware, aluminium utensils, electrical accessories, footwear, steel sanitary products, etc.

6.6 LIST OF IDENTIFIED PROJECTS

As per discussion given in sections 6.1 to 6.5 the following industrial projects have been identified for investment in district Jhang:

- Agriculture waste, by products raw material based industries for maximization of value addition chain
- Aluminium Utensils
- Bakers Yeast
- Biscuits/Confectionery
- Bakery Products like Bread, Bun, etc.
- Citric Acid
- Children-wear
- Chip/Particle Board
- Corn Oil/Starch/Glucose
- Cattle/Goats/Sheep Fattening Farms
- Dairy Farms
- Earthen Sanitary Ware
- Electrical Accessories

-
- Energy conservation / efficiency
 - Footwear
 - Furfural from Corn Cobs
 - Fruit Juices/Pickles/Squashes
 - Liquid Sugar
 - Leather Products
 - Poultry/Animal Feed
 - Paper and Paper Board
 - Poultry Breeding/Hatchery Farms
 - Power generation through coal and other alternate fuels
 - Power generation through bagasse
 - RCC Pipes/Slabs/Girders
 - Readymade Garments
 - Sports-wear
 - Solvent Oil Extraction
 - Steel Sanitary Products
 - Textile Processing/Printing
 - Vegetable Ghee
 - Vegetable Dehydration
 - Waste heat recovery system
